Subject: Update on Doc Wayne's Executive Leadership

To Partners, Supporters, and Friends of Doc Wayne,

We are writing to share an important leadership update and to thank you for your continued support of Doc Wayne.

After nearly 15 years of service to the organization, David Cohen has concluded his tenure as Chief Executive Officer. David's leadership helped establish Doc Wayne as a nationally recognized leader in sport-based therapy, expanding our reach and impact while remaining deeply committed to the young people and families we serve. We are grateful for the vision, dedication, and countless contributions he made during his time with the organization, and we wish him all the best in his next chapter.

As we move forward, Rebekah Roulier, LMHC, will continue to run day-to-day operations as Managing Director. Rebekah was Doc Wayne's first employee and has partnered closely with David over the past 15 years to build and grow the organization. Her leadership has been instrumental in strengthening our clinical model, expanding our programs and partnerships, and deepening our impact on the communities we serve. Her deep understanding of the organization, combined with her longstanding commitment to our mission and communities, positions her well to lead this next chapter. She is working closely with our Board of Directors, leadership team, and Communities for People to ensure continuity, stability, and continued success.

We are pleased to report that Doc Wayne remains on solid footing. Our programs continue to operate as planned, our partnerships remain strong, and demand for our services continues to grow. We are entering the new fiscal year with a positive financial outlook and all currently planned programming is fully supported. We are also expanding our clinical team and exploring new opportunities to increase our impact in the communities we serve.

As we navigate this period of transition, we remain focused on delivering high-quality therapeutic services that help communities of youth and adults thrive.

Thank you for your partnership and belief in our mission. We look forward to continuing this work together and sharing more updates in the months ahead.

Sincerely,
The Doc Wayne Leadership Team

Rebekah Roulier, LMHC
